

Organic Products Company

From the Desk of **Arthur Botvin**

May 27, 2016

We want to ensure that our loyal customers were able to maintain their supply chain with a high-quality replacement for our Torque Seal® and Sentry Seal products.

To that end, we have entered into an agreement with ITW Pro Brands, the makers of DYKEM® Cross-Check™. Cross-Check is a fine product that meets the high quality standards of our own products. As such, we have sold the rights associated with Torque Seal and Sentry Seal to them, along with our customer list.

In all likelihood, you will be hearing from ITW Pro Brands soon with information about their Cross-Check product. Please accept this as my endorsement of their product and their company, which I have always held in high regard.

You can learn more about Cross-Check and other ITW Pro Brands products online at www.ITWProfessionalBrands.com ; then click on the Featured Product box in the lower left. If you have any questions, you can call their customer service number at 1-800-443-9536. Purchase Orders and inquiries can be emailed to CSERVICE@ITWPROBRANDS.COM

Thank you for your loyalty over the past 40 years. Here is wishing you nothing but success moving forward.

Sincerely,

Arthur Botvin
President, Organic Products Company
